Congratulations on your upcoming event! We are pleased that you chose Craig's Crew to provide you with DJ/Emcee services for such a special day.

At Craig's Crew, we understand more than ever the importance of finding just the right vendors to make your event all that you want it to be at a price you can afford with the knowledge that our DJ services will never dip below the standard of excellence that has made Craig's Crew one of the best and *most affordable* mobile entertainment companies around.

Every DJ event is provided with the following services:

- *Customized Play Lists.* We believe your event should always reflect the uniqueness of your personality. Having *the most* extensive music library known to "music-kind" gives us the ability to customize your play list according to your personal as well as cultural preferences. Our access to all different types and styles of music is endless, which means you get the music you want to hear, and nothing we do will ever come "canned" or pre-recorded. We like to say, "We rock the house on your terms!"
- *Customized Itinerary.* Because it's *Your Day*, our DJ's will tailor the details and timeline of your event to your personal preferences, from the announcing of the Guest of Honor to the time you make your Grand Exit.
- *Full Emcee Capabilities.* Not only can we play music, our DJ's are experienced in making a variety of announcements, including Toasts, Cake Cutting, and The Birthday Song. Our DJ's always maintain a professional yet fun atmosphere, without being "cheesy" or "over-the-top."

We can provide you with full references from past clients and couples as well as our presence on the preferred vendor lists of several well-known, quality facilities.

So give us a call to setup a free consultation, and let Craig's Crew rock the house on your wedding day!
